GIVE YOUR SALES TEAM A NUMBER THEY CAN WORK WITH.

Your team does not need to learn a parts catalog. Send StackFence the layout and we return an exact material takeoff and contractor quote you can build your installed price on.

CONTRACTOR PRICING

MATERIALS QUOTED PER PROJECT

Call or text 660-322-1668 for current contractor pricing. No minimum order.

Send the layout and we return an exact material takeoff and contractor quote. Add your labor, markup and other project costs to set your own installed price.

WHAT WE NEED TO QUOTE A JOB

- [ ] Approximate linear footage
- [ ] Individual run lengths if available
- [ ] Fence height
- [ ] Fence style
- [ ] Number and size of gates
- [ ] Project city / ZIP
- [ ] Drawing, survey or sketch if available

THE PROCESS

1 IDENTIFY THE OPPORTUNITY
Measure the project and determine approximate footage, height, style and gates.

2 SEND STACKFENCE THE LAYOUT
Send a drawing, sketch, survey or measurements.

3 RECEIVE THE TAKEOFF + MATERIAL QUOTE
StackFence calculates boards, posts, rails, hardware and gates. We reply within 1 business day.

4 BUILD YOUR CUSTOMER QUOTE
Add your labor, markup and other project costs and present your installed price to the homeowner.

5 ORDER & INSTALL
Materials can be picked up, delivered or shipped depending on the project.

DON'T BUILD THE MATERIAL TAKEOFF YOURSELF.

SEND US THE DRAWING.
